## **Resurfacing, Pedestrian Sidewalk Improvements on Ridge Boulevard from Fargo Avenue to Devon Avenue**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that lane closures will take place on Ridge Boulevard between Fargo Avenue and Devon Avenue, in Chicago, beginning, weather permitting, Tuesday, August 15. The closures are necessary for a resurfacing and pedestrian sidewalk improvement project along Ridge Boulevard.

In order to complete the work, lane closures will take place on Ridge Boulevard from Fargo Avenue to Devon Avenue while construction activities are taking place

The scope of the project consists of resurfacing and restriping the roadway to provide a smoother and safer ride for motorists. It also consists of construction of new sidewalk ramps that are compliant with the Americans with Disabilities Act (ADA).

The overall project is expected to be completed in Fall 2017.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
